CHIETA ELECTRICAL GAP CLOSURE TRAINING

P and T Technology (Pty) Ltd Electrical Competency Training Institute is an accredited provider with the Energy SETA and the CHIETA.

The training and development centre is situated at the 141 Lamp Road, Wadeville, Germiston.

Our CHIETA Gap Closure training program is to close gaps identified during the pre-trade test evaluation. The training is to be selected as per the report from the evaluation. The weeks of training are integrated training and all weekly programs work as an integrated assessment.

Based on the results of the Pre trade test evaluation report, select the training that is required.

Eg: If the candidate needs training on Power tools he will only need 1 week training but if a candidate needs training on Power tools, Gas Welding and Soldering he will require an amount of 3 weeks training.

Module A - Hand and Workshop tools

2 Week Training covering the following

- Induction and applicable safety
- Hand tools
- Workshop tools
- Drawing and sketches
- Marking off
- Hand skills
- Basic lifting techniques
- Theory applicable to activities

Training costs per candidate per Module A are R 8 468.00 including 15% Vat

Module B – Welding

1 Week Training covering the following

- Induction and applicable safety
- Arc welding
- Gas welding
- Gas cutting and heating
- Theory applicable to activities

Training costs per candidate per Module B are R 4 234.00 including 15% Vat

Module C – Electronics

1 Week Training covering the following

- Induction and applicable safety
- Electronics
- Soft solder
- Theory applicable to activities

Training costs per candidate per Module C are R 4 234.00 including 15% Vat

Module D – Wiring

2 Weeks Training covering the following

- Induction and applicable safety
- Materials
- Electrical measuring instruments (panel mounted)
- Electrical testing instruments (portable)
- Fault finding
- Conductors
- Cables
- Wiring
- Electrical equipment
- Installations
- Theory applicable to activities

Training costs per candidate per Module D are R 8 468.00 including 15% Vat

Module E – Starters

2 Weeks Training covering the following

- Induction and applicable safety
- AC machines
- DC machines
- Wiring
- Electrical equipment
- Fault finding
- Theory applicable to activities

Training costs per candidate per Module E are R 8 468.00 including 15% Vat

Module F – Automation

1 Weeks Training covering the following

- Induction and applicable safety
- Basic PLC
- VSD Starters
- Theory applicable to activities

Training costs per candidate per Module F are R 4 234.00 including 15% Vat

Pre-requisites

- CHIETA Pre Trade Test Evaluation

Course duration:

As determined by the pre trade test evaluation report

Refreshments

Meals excluded.
