Single phase evaluation (Single phase tester criteria)

P and T Technology (Pty) Ltd Electrical Competency Training Institute is an accredited provider with the Energy SETA.

The training and development centre at the 141 Lamp Road, Wadeville, Germiston, offers a Single phase evaluation in order to identify gaps in skills and/or knowledge against the Single phase assessment (Single phase tester criteria)

Next evaluation dates: Refer to course calendar on the web page www.pandttechnology.co.za

Our single phase evaluation assessment will provide information about knowledge and skills gaps as required in order to partake in the Single phase assessment (Single phase tester criteria).

Note: - Our assessment program is developed in such a way as to identify skills and knowledge required for the Single phase assessment (Single phase tester criteria). and this is not a training intervention.

We guarantee complete support to all candidates thus bringing out the best in every person.

The practical assessment program will include but is not limited to the following:

- Electrical wire ways
- Install and commission electrical measuring instruments and control devices
- Select and use electrical measuring instruments
- Install luminaries
- Design and construct single phase circuits
- Install and commission single phase AC machines and control gear
- Test and inspect a single phase domestic installation.
- Fault find on single phase AC systems (single phase motor)
- Install and terminate low voltage cables and conductors
- Wire and commission domestic electrical circuits (stove, geysers, socket outlets, lights, motors and etc.)

Target audience

- Electricians working in Domestic installations.
- Electricians wanting to upgrade their knowledge on single phase installations, motors and starters.
- Electricians requiring assessment for single phase testers registration.

Pre-requisites

- Written proof of 5 or more years relevant experience in the single phase electrical industry.
- Personal Protective Equipment (PPE) - overalls and safety shoes are required. No person will be permitted in the assessment centre or to work without this PPE.
- Own tools and test equipment.

Assessment duration: 1 days

Refreshments

Meals excluded.

NOTE:

We will assess your skills and knowledge as required for the Single phase assessment (Single phase tester criteria)

TERMS AND CONDITIONS

- Short course classes are limited to 16 per class.
- Before booking and paying for a program please confirm if a program is fully booked or not.
- Application to be made by means of completing and returning enrolment form via web page, email or fax.
