Trade test evaluation

P and T Technology (Pty) Ltd Competency Training Institute is an accredited provider with QCTO, Energy & Water SETA, CHIETA and the Construction Seta. We are an accredited Electrical Trade test centre.

The training and development centre at the 141 Lamp Road, Wadeville, Germiston, offers a trade test evaluation in order to identify gaps in skills and/or knowledge. We offer trade test evaluation for Electrician, Mechanical fitter, Millwright and Instrumentation Mechanician.

The Electrical trade test evaluation will take place at our training centre.

The Mechanical fitter, Millwright and Instrumentation Mechanician will take place at an accredited trade test centre that we partner with.

Next evaluation dates: Date will be provided when booking for the evaluation

Our trade test evaluation assessment will provide information about knowledge and skills gaps as required in order to partake in the National trade test. It is our experience that although candidates have could show sufficient knowledge of the required activities and expectations at Trade Test, they are unsuccessful in the trade test as tasks in the trade test need to be completed in a specific time.

Pre-requisites

- Must meet relevant criteria in order to do the trade test

Assessment duration:

- 1 day for Electrical
- 2 days for Mechanical fitter, Millwright and Instrumentation Mechanician

Refreshments

Meals and refreshments excluded. Please bring your own.

NOTE:

This is not a trade test and does not guarantee access to the trade test. We will assess your skills and knowledge as required for the relevant trade

TERMS AND CONDITIONS

- Before booking and paying for a program please confirm if a program is fully booked or not.
- Application to be made by means of completing and returning enrolment form via web page, email or fax.
- We will communicate with you in five working days, if we have not communicated with you in this time please contact our office.
