## **Electrical gap closure training**

P and T Technology (Pty) Ltd Competency Training Institute is an accredited provider with the Energy SETA and the CHIETA.

The training and development centre is situated at the 141 Lamp Road, Wadeville, Germiston.

Our CHIETA Gap Closure training program is to close gaps identified during the pre-trade test evaluation. The training is to be selected as per the report from the evaluation. The weeks of training are integrated training and all weekly programs work as an integrated assessment.

Based on the results of the Pre trade test evaluation report, select the training that is required.

Eg: If the candidate needs training on Power tools he will only need 1 week training but if a candidate needs training on Power tools, Gas Welding and Soldering he will require an amount of 3 weeks training.
