## **Safety in the workplace, hand tools and power tools**

### **(Identify and use hand tools and power tools safely in a work environment)**

P and T Technology (Pty) Ltd Electrical Competency Training Institute is an accredited provider with the EWSETA, CETA and the CHIETA.

The training and development centre at the 141 Lamp Road, Wadeville, Germiston offers a development program for persons on a closely managed facilitation basis.

Our program will provide you with the necessary skills and knowledge to confidently ensure a positive result at the workplace. It is our experience that although candidates have experience and knowledge to identify and use hand tools and power tools, they do not always use them correctly according to manufactures guidelines or instructions or safe working principles, thereby posing a risk to themselves as well as persons who could be affected by their actions. All practical and theory regarding identification and use is emphasised.

**NOTE:** - Our program is unit standard aligned and developed in such a way as to cater for your needs and make you more skilful in the profession you are currently in.

We guarantee complete support to all candidates thus bringing out the best in every person.

The practical training program will include identifying, inspecting, using, maintaining and caring for engineering hand tools and power tools but is not limited to the following:

- Hand saws
- Hammers
- Screw drivers
- Sockets and spanners
- Side cutters and pliers
- Drill bits
- Measuring and marking off tools
- Drilling machines
- Grinders and sanders

Statutory requirements include but are not limited to SABS, OSH Act and manufacturer's specifications.
